

Mega-sweep Push Brooms

The Mega-sweep forklift sweeper is the sweeper of choice for the toughest of sweeping environments whilst offering maximum sweeping power. The Mega-sweep sweeper offers simple, reliable and virtually maintenance free sweeping on multiple surfaces.

Constructed from high-tensile steel shroud with a powder coated finish, the Forklift Sweeper offers a safe and efficient design, comes 'CE' marked, fully tested and certified to comply with Health & Safety Regulations.

| Model Ref | Width (mm) | Bristle Height (mm) | Max Fork Width (mm) | Weight (kg) |
|-----------|------------|---------------------|---------------------|-------------|
| CFMPBS1 | 1525 | 280 | 127 | 94 |
| CFMPBS2 | 1830 | 280 | 127 | 109 |

Ideal for clean-up applications

Soil, leaves, debris, light snow, material spills, sludge/mud/slurry, standing water, wood chips, shrink-wrap debris, absorbent granules, pallet scraps, steel shavings & banding

A unique modular brush system suitable for all commercial sweeping

- Tackles bulky materials
- Will 'squeegee' wet surfaces
- Generates minimal dust
- Highly durable
- Minimal maintenance
- Tested and certified to ISO9001 and CE marked
- Manufactured in the UK
